

# Kingsbeece

Global supply chain solutions

## We source components from the following manufacturers

If you don't see the manufacturer you are looking for, then please ask, as we are always pleased to help locate that hard to find component and add another manufacturer to our list. In addition we can offer many of the products previously supplied by COMPSTOCK ELECTRONICS LTD.

We are also the home of [ACL Mica Capacitors](#) and [Ashcroft Ceramic Capacitors](#) and [Filmcap Capacitors](#).  
Visit the Ashcroft Capacitors Limited website at [www.ashcroftcapacitors.co.uk](http://www.ashcroftcapacitors.co.uk)
